

Bose® *Virtually Invisible*® 791 series II and 591 in-ceiling speakers

Home theater placement guidelines

You can purchase additional speakers for home theater arrangement. To order additional speakers, contact Bose customer service.

For optimal performance, install the speakers in positions similar to the diagram below, at a minimum of the suggested distances:

Refer to the Bose® *Virtually Invisible*® 791 series II and 591 in-ceiling speakers installation guide for installation instructions.
